

Web Development Class 1 Homework

1. Design a web page for your pet, your favourite superhero, or anything of your choice

It must contain the following:

- I. At least 3 paragraphs of text
- II. At least 3 text formatting tags
- III. At least 3 images
- IV. At least 3 links

Please name the file `d1_homework1.html` (where `d1` are your initials, David Lu for me)

2. Find two ways to resize images either using HTML or other methods, describe them to @homework bot using a few sentences each.

Assigned on July 3, 2016. Due July 10, 2016.
